

BUY/SELL IN CANADA

Precious Metals Purchase Transaction Requirements via Branch Network (Canada Only)

Effective March 5, 2018, the sale of precious metals (bullion/coin/certificates) to a non-Scotiabank customer is no longer permitted.

Precious metal certificates previously sold to non-Scotiabank customers are still allowed for redemption at any Scotiabank branch. For redemption of coin/bullion, non-Scotiabank customers should contact their own financial institution.

When buying precious metals from a branch, please present the following types of identification:

Scotiabank Clients

- Scotiabank Card
- One (1) piece of government-issued photo I.D.
- One (1) official document that states your Social Insurance Number, Business Tax Number or Trust Identification Number

How to become a Scotiabank Client

- Visit your local Scotiabank Branch and bring:
 - Two (2) pieces of I.D., one of which must be a government-issued photo I.D.
 - One (1) official document that states your Social Insurance Number, Business Tax Number or Trust Identification Number
- Call us at 1-800-4SCOTIA (1-800-472-6842)
- Submit request online

The safety and security of customers and Scotiabank employees is paramount and will be taken into consideration prior to completing the transaction. We reserve the right to refuse or impose conditions on transactions we consider to entail undue risk.
