

BUY/SELL IN CANADA

Precious Metals Sale Transaction Requirements via Branch Network (Canada Only)

When selling precious metals to Scotiabank, all clients require the following:

1. Original receipt of purchase (Owner must be present with the appropriate identification.)
2. Social Insurance Card
3. Identification per purchase requirements for customer vs non-customer.

NOTE: Additional documentation is required for estate, power of attorney and business transactions.

For more information, please contact your local Scotiabank branch.

The safety and security of customers and Scotiabank employees is paramount and will be taken into consideration prior to completing the transaction. We reserve the right to refuse or impose conditions on transactions we consider to entail undue risk.
